

Get the Funds You Need with a Cash Advance from your ChevronWest Visa Credit Card.

At ChevronWest, we want to make the available balance on your credit card easy to obtain in cash when you need it. This can be done through a Credit Card Cash Advance...

Make a Transfer Online in E*Teller. At chevronwestcu.org you can log in to your account through online banking, E*Teller. Click on "Loan Advances" and you will be able to transfer the necessary cash into any of your ChevronWest Credit Union accounts.

Go to an ATM accepting Visa and insert your credit card. You will be asked for your credit card PIN so be sure to know what your PIN is ahead of time. Your credit card PIN is separate from other PINs you may have and usually comes in the mail shortly after you receive your credit card.

Contact ChevronWest Credit Union. You may also authorize an advance on your credit card by contacting a Member Service Representative at (801) 683-3000 or (toll free) 1-877-208-8364. After signing and returning a "Visa Cash Advance Request" you can choose to have funds deposited into your account or a check sent to you in the mail.

Stop by a ChevronWest branch. You may request a cash advance on your credit card at any ChevronWest branch. After signing a "Visa Cash Advance Request," the cash advance can be handed to you or deposited into your account.
